REASON FOR WITHDRAWAL REQUEST

Applicant hereby petitions the Commissioner to withdraw this case from issue for consideration of a request of continued examination in compliance with 37 C.F.R. § 1.114. The request for continued examination is submitted herewith. The request for continued examination is accompanied by a Supplemental Information Disclosure Statement, and references which Applicant requests be considered in determining the patentability of the claims. The undersigned became aware of the listed references only within the last few days. To insure compliance with Rule 56, Applicant hereby submits this Petition. It seems prudent to reopen prosecution so that the references can be appropriately considered by the Examiner, and for this reason Applicant believes withdrawal of the application from issue is appropriate.

Respectfully submitted,
